2. So maybe the chance for romance  
 Is like a train to catch before it's gone  
 And I'll keep on waiting and dreaming  
 You're strong enough to understand  
 As long as you're so far away  
 I'm sending a letter each day.

From Sarah with love  
 She'd got the lover she is dreaming of  
 Never found the words to say, ahh  
 But today, but today.  
 From Sarah with love.  
 She took your picture to the stars above  
 And they told her it is true

She could dare  
 To fall in love with you.  
 So don't make her blue  
 When she writes to you  
 From Sarah with love  
 So don't make me blue  
 When I write to you  
 From Sarah with love
